

shopify Settings / Payments

Alternative payments

Accept alternative payment methods from services that take customers out of your store's checkout to pay.

G2A Pay

Test Mode allows you to test the functionality of your payment gateway without any money changing hands. Transaction fees are not charged by Shopify on transactions completed in test mode. You may have to use different credentials for test mode depending on your gateway provider.

Use test mode

Please provide your G2A Pay credentials:

API Hash

API Secret

Show

Cards accepted

VISA, Mastercard, American Express, Discover, JCB, UnionPay, Alipay, WeChat Pay, Apple Pay, Google Pay, Samsung Pay, Venmo, PayPal, Braintree, Stripe, etc.

Activate

6. Copy & Paste API Hash and API Secret from the G2A Pay Merchant Panel. Please see the next slide for details where to copy the APIs from)

7. If you untick these icons, they will not be displayed on the website. However, it will not affect the payment options your customers can use.
